2.   Conference Venues / Topics

1978. Amsterdam. Local Processes.
1979. Pisa. Theory of Markedness in Generative Grammar.
1980. Nijmegen. Modular Approaches to Linguistic Problems.
1981. Göttingen. Parameters and the Projection Problem.
1982. Paris. The Representation of Dependencies.
       Workshop on Generative Phonology.
1983. York. Levels of Representation in Linguistic Theory.
1984. Copenhagen. Ordering of Rules, Principles, and Components.
       Workshop on Scandinavian Syntax.
1985. Brussels. Parametric Typology.
       Workshops on (1) Comparative Syntax: the Case of Verb Second, and
       (2) Phonological Features.
1986. Girona/Barcelona. From Rules to Principles.
       Workshop on Automatic Language Processing: Parsing, Translating, Learning.
1987. Venice. Constituent Structure.
       Workshop on Dialect Variation and the Theory of Grammar.
1988. Budapest. Locality.
       Workshops on (1) The Relation of the Lexicon to Other Modules of Grammar,
       and (2) The Convergence of Phonological Theories.
1989. Utrecht. Comparative Grammar: Setting Parameters.
       Workshops on the Linguistic Description of Exotic Languages and its Relevance
       for Generative Theorizing; I. Phonology & II. Syntax.
1990. Cambridge/London. Levels of Representation.
       Workshops on the Syntax and Phonology of Oriental and African Languages.
1991. Leiden. Heads.
       Workshops on (1) The Development of Movement and Inflection,
       (2) Wh-Movement, ECP and Bound Variable Development, (3) The Acquisition
       of Phonology.
1992. Lisboa. Free Topic.
       Workshops on (1) Interfaces, and (2) African & Creole Languages.
1993. Lund. Dependencies.
       Workshops on (1) The Internal Structure of Non-Verbal Projections,
       (2) Language Change, (3) Constituent Structure in Phonology.
1994. Vienna. Directionality.
       Workshops on (1) Language Acquisition and the Theory of Grammar and
       (2) Phonology between Words and Phrases.
1995. Tromsø. Primitives.
       Workshops on (1) Constraints in Phonology and (2) Inflection and Word Order in
       Finno-Ugrian Languages.

1996. Athens. (A)Symmetry.
   Workshops on (1) Weight Effects, (2) The Syntax of Balkan Languages,
   (3) Current Trends in Modern Greek Syntax: From Minimality to Optimality.
1997. Rabat. Interfaces.
   Workshops on (1) Morpho-syntax and Phonology of African and Afro-Asiatic
   Languages, (2) Computational Models and Implementation of Natural Language.
1998. Tilburg. Features.
   Workshops on (1) Phonological Opacity, (2) Agreement Systems.
1999. Berlin & Potsdam. Universals.
   Workshops on (1) Sources of Universals, (2) Technical Aspects of Movement,
   (3) Phonetics in Phonology.
2000. Vittoria & Bilbao. Derivations and Representations.
   Workshops on (1) Focus, (2) Null/Overt Morphology.
2001. Braga & Oporto. Adjacency.
   Workshops on (1) Language Change and Variation, (2) Nominal and Temporal
    Anaphora.
2002. Amsterdam & Utrecht. Linguistic Microvariation.
   Workshops on (1) The Syntax-Discourse Interface, (2) Phonological Language
   Acquisition, (3) Tools in Linguistic Theory
